2. Clearing the cache

1. Click the privacy icon
2. Clear your recent history hyperlink

3. From the dropdown menu choose "everything"

4. Select the "Clear Now" button

3. Enabling Flash
Ensure Flash is enabled in Firefox as well. As you can see below Firefox is asking to "Run Adobe Flash" or you can click the "battery " icon in the upper left corner to "allow" Flash to run. (You may need to download Adobe Flash for this step.)
